PBW Five Star 3,6 kg ES-PT

Multifunctional cleaning agent for the use in the food and beverage industry.

- Effective at all temperatures
- Removes stubborn stains and residues of caked-on starch, proteins and fatty acids from hard-to-reach areas, by simply soaking and rinsing
- Safe for use on stainless steel, rubber, soft metals and plastics
- Do not use on Teflon
- Generates 4-5 % oxygen
- Excellent hard water tolerance
- User manual in Spanish & Portuguese
- Dosage:
 - General cleaning: 7-14 g / litre
 - Intensive cleaning: 21 g / litre

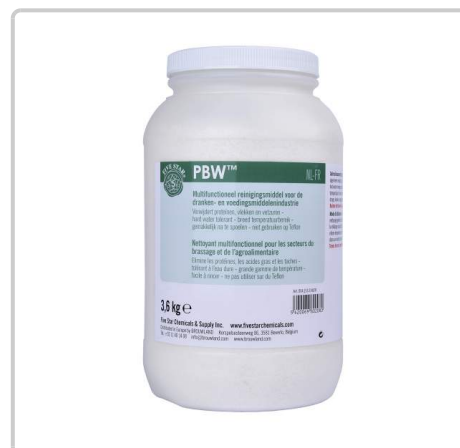

Directions for use

Use 7 to 14 g per litre of warm water for general cleaning. Scrub or soak for 30 minutes with the warm mixture. Then rinse with water of the same temperature. Close the packaging tightly after use and store in a dry, cool and well-ventilated place.

Keep out of reach of children.

Why cleaning is so important
