

Crown corks 26 mm - oxygen scavenging - hop cone - 1,000 pcs

Are you a true hop head who takes his hop seriously? Does this multi-functional ingredient play an important role in your home-brewed beer? Then this crown cork with a beautiful hop cone design is the finishing touch to your hoppy home brew. Moreover these unique crown caps protect your beer against oxidation.

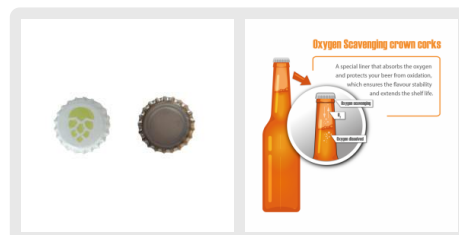

These oxygen scavengers have a special liner that absorbs oxygen molecules in the head space of closed bottles. This layer protects your beer from oxidation, it ensures flavour stability and extends shelf life.

Specifications:

- 26 mm crown cap
- special oxygen scavenging liner
- the caps are moisture activated, therefore, only wet/sanitize the crown corks prior to bottling.
