

Brew Monk™ stainless steel fermenter 55 l

Holy smoke! The monastery has great news for his dear Brew Monk adepts and parishioners. Father abbot and his apostles proudly present their 55 litre fermenter, in which every self-respecting brewer can turn water into beer. Not just any beer, but a divine drink.

Durable fermenter with the convenience of a **conical bottom** for a hobby brew of **42-45 litres** on average. The **practical tri-clamp connections** offer endless possibilities for connecting.
