

Aluminium cans 50 cl with lid for Cannular - 207 pcs

This **value pack of 207 cans of 50 cl with lid** ensures that you can enjoy the many advantages of canning at a reasonable price: **less risk of oxidation**, lots of possibilities for personalisation and **100% lightproof**, so no unwanted UV rays penetrating the beer and influencing its taste. The cans have a **B64 closure** and are **100% compatible with the Cannular Semiautomatic Canning Machine** (see below). At this time we can unfortunately not guarantee compatibility with other cans.

- large outer box with 207 cans of 50 cl and lids
- 100% compatible with the Cannular Semiautomatic Canning Machine (see below)
- **wide drinking opening makes drinking a pleasure**
- although the cans are packed in protective conditions, we recommend sanitizing them before use

Attention: Empty aluminium cans are vulnerable and therefore prone to damage. Therefore, take a failure rate of 5% into account. To keep waste to a minimum, we recommend that you collect your order for cans from the shop in Beverlo. We cannot be held liable for damage caused by external carriers.

Specification

Packing dimensions and weight:

Weight	6 kg
Length	58 cm
Height	51 cm
Width	53 cm
EAN code	9388866605449
