Holland Malt Pale Ale malt - 8-12 EBC - 25 kg

Slightly coloured malt combining excellent diastatic power and filterability with a fine aroma. Holland Malt's pale ale is being used in specialty beers that require a pale colour such as blondes or triples. Its fine malty aroma contributes to the flavour of the beers.

Specification

Packing dimensions and weight:

Weight	25 kg
Length	79 cm
Height	12.5 cm
Width	50 cm
EAN code	0516047
