Brewferm® malt kits

You want to brew some beer from grain, but you don't have a recipe at hand or don't know how to get started? These ready-to-use BREWFERM® malt kits are the ideal solution. They contain all ingredients required for brewing 15-20 litres of beer: malts, necessary special grains (wheat, corn flakes, etc.), hops, necessary herbs and a dry brewing yeast. Assembled by our master brewer according to proven recipes and packed for optimal freshness. With comprehensive instructions and clear mashing schedule. If you don't have any brewing equipment yet, you can obtain all the materials you need with the Brewferm 'SUPERIOR' starter kit gas or electric (see links below).

Specification

Packing dimensions and weight:

Weight	5.088 kg
Length	31.5 cm
Height	23.3 cm
Width	23.7 cm
EAN code	5425000391081
