

Brewferm Beer Brew Kit - Belgian Style Blond

Making your own craft beer has never been easier!

Based on a recipe, according to the centuries-old tradition of Belgian beer. With a soft, balanced flavour profile and a hint of hop aroma. The golden coloured robe gives this **Belgian Style Blond** her finishing touch.

Buying and brewing this kit offers you the possibility to drink the beer you made yourself! Brewing experience comes in handy, but is not required because the **detailed manual** will guide you through every step of the process.

This starter kit will enable you to make **4 litre of your own amazing home-brewed beer**.

Included in this Belgian Style Blond Beer Brew Kit:

- Belgian Style Blond all grain mix (milled)
- Hops
- Premium beer yeast
- Glass fermentation jug
- Thermometer
- Racking cane
- Food-grade silicone tubing
- Tubing clamp
- Food-grade silicone stopper
- 3-piece airlock
- Chemipro no-rinse specialised cleaning agent

Ingredients: **barley** malt, maltodextrin, hop, yeast.

All the equipment in this kit is reusable. The only thing you need for another brew is another Beer Mix and some extra Chemipro cleaning agent (see accessories).

Time to bottle?

Just buy the Beer Bottling Kit (see accessories), it contains all the equipment you need to bottle your home-brew properly.
