

## Beer Brew Kit Simcoe IPA + Beer Bottling Kit

Beer Brew Kit - Simcoe IPA

**Making your own craft beer has never been easier!**

This box contains everything you need to **brew your own awesome beer**. Nothing more, nothing less.

Buying and brewing this kit offers you the possibility to drink the beer you made yourself! Brewing experience comes in handy, but is not required because the **detailed manual** will guide you through every step of the process.

This starter kit will enable you to make 4 litre of your own amazing home-brewed beer. Packed with **Simcoe hops**, you will get the amazing aromas you are looking for when drinking a nice, hoppy beer. With a piney freshness that will make you want to brew it again and again.

**Included in this Simcoe IPA beer brew kit:**

- IPA all grain mix (milled)
- Simcoe hops
- Premium beer yeast
- Glass fermentation jug
- Thermometer
- Racking cane
- Food-grade silicone tubing
- Tubing clamp
- Food-grade silicone stopper
- 3-piece airlock
- Chemipro no-rinse specialised cleaning agent

**All the equipment in this kit is reusable.** The only thing you need for another brew is another Beer Mix and some extra Chemipro cleaning agent (see accessories).

### Beer Bottling Kit

The Beer Bottling Kit includes **everything you need for bottling 4 litres of your own, freshly home-brewed craft beer**. Use the bottle capper and the **included crown corks** for an **airtight seal** in the 12 33 cl bottles. After bottling, the box can be used to safely store and protect your beer.
