## Duotight reducer 9.5 mm (3/8") to 8 mm (5/16")

This Duotight push-in fitting is designed to connect a 9.5 mm EVABarrier hose (see accessories) with an 8 mm EVABarrier hose (see accessories).

Duotight fittings guarantee a 100% leak-free result thanks to their superior sealing qualities. Their secret is not one but two O-rings, made of top-quality EPDM. To ensure a complete seal, cut the hose as straight as possible. Duotight fittings are pressure-resistant up to 6.5 bar.

### Specification

Packing dimensions and weight:

Weight	0.1 kg
Length	6 cm
Height	3.5 cm
Width	3.5 cm
EAN code	0588533
