## Duotight 9.5 mm (3/8") elbow

This Duotight elbow is designed to make a leak-free 90 degrees angle with an EVABarrier 9.5 mm hose (see accessories).

Duotight fittings guarantee a 100% leak-free result thanks to their superior sealing qualities. Their secret is not one but two O-rings, made of top-quality EPDM. To ensure a complete seal, cut the hose as straight as possible. Duotight fittings are pressure-resistant up to 6.5 bar.

### Specification

Packing dimensions and weight:

Weight	0.1 kg
Length	6 cm
Height	3.5 cm
Width	3.5 cm
EAN code	0588558
